

SatGate Sample Evidence Pack

Evidence Pack ID: ep_demo_2026_05_09_001

Issued: 2026-05-09T14:22:31Z

Subject: worker-agent:invoice-reconciler

Scenario: invoice reconciliation lifecycle

What this proves:

- Mint receipt: scoped authority issued by satgate-mint-2026-05
- Delegation chain: parent agent attenuated worker authority
- Spend ledger: three allowed invoice tool calls attributed by token
- Denials: scope_violation and budget_exhausted reason codes
- Revocation: worker authority revoked by security-admin
- Post-revoke denial: first call after revocation blocked

Chain root: sha256:f04ed8430b11c8975cc5ef35919ee078fc4cb166cd8d611ed0d94b7da69df09d
